100% of the profits will benefit these charities

Mission of Mercy (MOM) projects are conducted in identified underserved areas of the state where there are not enough dental practitioners to adequately address the oral health needs of the community. Clinics provide preventive, restorative and surgical dental treatments to more than 4,000 low-income individuals each year. The largest project, held each year in Wise, is scheduled this year **July 18-19, 2025**.
